2. Basis of contract

2.1 The Order constitutes an offer by the Customer to purchase Goods and/or Services in accordance with these Conditions.

2.2 The Order shall only be deemed to be accepted when the Supplier issues written acceptance of the Order or the Supplier commences work pursuant to the Order, whichever is the sooner, at which point and on which date the Contract shall come into existence (Commencement Date).

2.3 The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise, representation, assurance or warranty made or given by or on behalf of the Supplier which is not set out in the Contract.

2.4 Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations are provided by the relevant manufacturer of the Goods not the Supplier. The Supplier does not manufacture any of the Goods. The descriptions of the Services and the Goods contained in the Supplier's catalogues, brochures or on their website are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.

2.5 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.6 Any Quotation given by the Supplier shall not constitute an offer, and is only valid for a period of 30 Business Days from its date of issue.

2.7 All of these Conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.

3. Goods

3.1 The Goods are described in the Supplier's catalogue or on the Supplier's website as modified by any applicable Goods Specification. Goods Specifications are detailed by the manufacturers and are relied upon to be correct by the Supplier

3.2 To the extent that the Goods are/are to be manufactured in accordance with a Goods Specification supplied by the Customer, the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of the Goods Specification. This clause 3.2 shall survive termination of the Contract.

3.3 The Supplier reserves the right to amend the Goods Specification if required by any applicable statutory and regulatory requirements or any manufacturer's decision to amend or modify the Goods ("Goods Specification Modification"). The Supplier shall not be liable to the Customer for any direct, indirect or consequential losses, loss of profit, loss of reputation interest, penalties and legal and other professional costs and expenses suffered or incurred by the Customer as a result of a Goods Specification Modification .

4. Delivery of Goods

4.1 The Supplier shall ensure that:

(a) each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Order is being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and

(b) if the Supplier requires the Customer to return any packaging material to the Supplier, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably request. Returns of packaging materials shall be at the Supplier's expense.

4.2 The Supplier shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (Delivery Location) at any time after the Supplier notifies the Customer that the Goods are ready.

4.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location OR the completion of loading of the Goods at the Delivery Location, as appropriate.

4.4 Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

4.5 If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the Price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event, the Customer's failure to provide the Supplier with adequate delivery instructions for the Goods or any relevant instruction related to the supply of the Goods.

4.6 If the Customer fails to accept or take delivery of the Goods within 10 Business Days of the Supplier notifying the Customer that the Goods are ready for collection/to be delivered, then except where such failure or delay is caused by a Force Majeure Event or by the Supplier's failure to comply with its obligations under the Contract in respect of the Goods:

- (a) delivery of the Goods shall be deemed to have been completed at 9.00 am on the tenth Business Day following the day on which the Supplier notified the Customer that the Goods were ready; and
- (b) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

4.7 If 10 Business Days after the Supplier notified the Customer that the Goods were ready for delivery/collection, the Customer has not taken delivery of/collected them, the

Supplier may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the Price of the Goods or charge the Customer for any shortfall below the Price of the Goods.

4.8 The Customer shall not be entitled to reject the Goods if the Supplier delivers up to and including 5 per cent more or less than the quantity of Goods ordered, but a pro-rata adjustment shall be made to the Order invoice on receipt of notice from the Customer that the wrong quantity of Goods was delivered.

4.9 The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery, collection of or defect in an instalment shall not entitle the Customer to cancel any other instalment.

5. Title and risk

5.1 The risk in the Goods shall pass to the Customer on completion of delivery/collection of the Goods by the Customer, as applicable.

5.4 Subject to clause 5.5, the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before the Supplier receives payment for the Goods. However, if the Customer resells the Goods before that time:

- (a) it does so as principal and not as the Supplier's agent; and
- (b) title to the Goods shall pass from the Supplier to the Customer immediately before the time at which resale by the Customer occurs.

5.5 If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 12.3(b) to clause 12.3(m), then, without limiting any other right or remedy the Supplier may have:

- (a) the Customer's right to resell Goods or use them in the ordinary course of its business ceases immediately; and
- (b) the Supplier may at any time:
 - (i) require the Customer to deliver up all Goods in its possession which have not been resold, or irrevocably incorporated into another product; and

Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.
- (b) If any provision or part-provision of this Contract is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

14.4 Waiver. A waiver of any right under the Contract or law is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor prevent or restrict its further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

14.5 No partnership or agency. Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, nor constitute either party the agent of another party for any purpose. Neither party shall have authority to act as agent for, or to bind, the other party in any way.

14.6 Third parties. A person who is not a party to the Contract shall not have any rights to enforce its terms.

14.7 Variation. Except as set out in these Conditions, no variation of the Contract, including the introduction of any additional terms and conditions shall be effective unless it is agreed in writing and signed by the Supplier.

14.8 Governing law. This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of Ireland.

14.9 Jurisdiction Each party irrevocably agrees that the courts of Ireland shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this Contract or its subject matter or formation (including non-contractual disputes or claims).

14.10 Precedence For the avoidance of doubt, the Contract is predicated on these terms and conditions and therefore these terms and conditions are the basis for any proposal provided to the Customer. In the event of there being any conflict between the Contract and any proposal provided to the Customer, the Contract shall take precedence over any such proposal.
