Product Line Card

Approved Partners for Instrumentation
and Automation Product Sales

BONNER

STANDARDS YOU CAN TRUST

Member of GHM GROUP

A member of the ABB Group

INSTRUMENTS

**WE BRING THE BEST.
TO DELIVER THE BEST.**

We also have special arrangements with various other brands to deliver state of the art hardware at the best possible prices.

AT BONNER WE PRIDE OURSELVES ON BEING A LEADING PROVIDER OF INSTRUMENTATION AND AUTOMATION SALES.

Our commitment to quality and innovation has led us to partner with some of the most renowned brands in the industry:

ABB

A global leader in industrial technology, ABB offers cutting-edge solutions that enhance efficiency and sustainability.

PLC Automation, Industrial Software, Control Systems, DCS, Condition Monitoring, IIOT.

**B&R
INDUSTRIAL
AUTOMATION**

A member of the ABB Group

Specialising in process and factory automation, B&R is synonymous with innovation and reliability.

Industrial PCs, HMI, PLC Systems, I/O Systems, Vision Systems, Safety Technology, Motion Control, Mechatronic Systems, Robotics, Mobile Automation, Networks and Fieldbus Modules, Software, Process Control.

**MAC
VALVES**

A global manufacturing leader in pneumatic and fluid valves, proportional valves, flow control and regulator technology.

3-Way Valves, 4-Way Valves, Bullet Valves, Pulse Valve, Liquid Valves.

KERN & SOHN

Kern & Sohn is a Germany manufacturer and distributor of precision scales, force gauges and microscopes.

Laboratory Balances, Industrial Scales, Medical Scales, Weighing Systems Industry, Test Weights, Measuring Instruments, Measuring Technology Components.

OHAUS

Known for laboratory, industrial, and education weighing solutions, Ohaus's products are built with integrity and innovation.

Analytical Balances, Bench Scales, Checkweighers, Counting Scales, Electronic Scales, Floor Scales, Industrial Balances, Moisture Balances, Pallet Scales, Platform Scales, Precision Balances.

TESTO

Testo is a world market leader in production and distribution of measuring instruments and systems.

Temperature & Humidity, Combustion, Test Equipment, HVAC, Thermal Imaging, Accessories.

KIMO

The Sauer mann Group designs, manufactures and sells products and services dedicated to industrial and HVAC markets.

Transmitters, Portable Instruments, Combustion, Data Loggers, Manometers, Autonomous Temperature Probes.

DELTA OHM

Delta OHM develops and manufactures a complete range of meteorological devices for measuring wind speed, wind direction, humidity, radiation, Light and temperature.

Testing and control equipment to measure Temperature, Pressure, RH, Air Quality, CO and CO2, Microclimate, Water Analysis, Photo-Radiometry, Air Speed, Acoustic and Vibrations.

STATUS
INSTRUMENTS

Specialising on designing and manufacturing process instrumentation products.

Temperature Transmitters, Temperature Probes, Signal Conditioner, Panel Mount Indicators, Temperature Gauges, Pressure Transmitters & Pressure Gauges, Humidity Transmitters & Indicators.

LAUMAS

Specialising in the Industrial Weighing and Batching Industry. Laumas manufactures reliable precision products

Load Cells, Weight Transmitters, Batching Systems, Remote Display, Converters, Crane Scales, Weighing Platforms.

SIMEX

The manufacturer and supplier of Industrial Automation equipment

Indicators/Controllers, Counters, Data Recorders, Power Suppliers, Converters, Power Supplies, Isolators, Temperature Sensors.

ADAM

Adam equipment is a leading weighing scale manufacturer.

A company that provides weighing equipment for a wide range of markets e.g Industrial, Laboratory, Medical, Education and retail.

Compact Scales, Bench Scales, Counting Scales, Platform Scales, Floor Scales, Precision Balances, Weighing Indicators.

**APPLIED
WEIGHING**

Applied Weighing offers a complete range of Industrial weighing systems.

Weighing Assemblies, Load Cell Amplifiers, Weigh Indicators & Controllers, Platform Scales.

TOSIBOX

TOSIBOX

Tosibox have a technology and solution that is designed for controlling operational processes and accommodate multiple protocols and equipment interfaces

Tosibox Key, Tosibox softkey, Tosibox Lock, Tosicontrol.

**HUBA
CONTROL**

Market leader in supplying pressure switches and pressure transmitter

Pressure Transmitters, Differential Pressure Transmitter, Electronic Pressure Switch, Pressure Level Transmitter.

LAPP

The world's leading supplier of cables, cable accessories and systems.

Temperature Sensors, Temperature Transmitters, Thermowells, Accessories.

**PRECISION
DIGITAL**

Precision Digital Corporation is a manufacturer of a comprehensive line of digital panel metres, displays and control instrumentation utilised primarily in industrial processes worldwide.

Process Meter, Transmitter Power Supply, Totalizer, Wireless Surveying Tool Kit, AC Current Transducer, Explosion-Proof Loop Powered Process & Level Meter, Temperature Controllers

SIKA

Specialising in developing and producing high-quality solutions in the field of industrial measurement and calibration technology

Industrial Thermometers, Dial Thermometers, Flow Switches, Magnetic Inductive Flow Sensors, Flow Regulators, Pressure Pumps.

RICE
LAKE

Rice Lake is a manufacturing and distributing company of weight-related products.

Load Cells, Platform Scales, Balances, Checkweighers, Overhead Weighing, Junction Boxes, Printers, Software, Mechanical Scales, Vehicle Scale System.

INDU-TECH

Indu-Tech Level Transmitter Isolation Valve has been built to get the job done under the toughest conditions at industrial sites around the world. With an optimised design that enables superior level measurements, simplified installation and the industry's only Swirl-Purge™ in-situ flushing feature.

Level Transmitter Isolation Valve

POW
TECHNOLOGY

Robust, innovative IIoT solutions to help customers embrace digital transformation. Solutions in IIoT, I4.0, Digital Transformation, Remote Monitoring, Big Data, Smart Factories and Industrial Internet of Things.

Metron IoT hardware, Metronview IoT platform, Metron

VIEWAR

VIEWAR is an innovative provider of industrial Augmented Reality Solutions that help organisations optimise their operations and improve productivity.

Service AR, INDOAR, HELPAR.
